

The National Board of Boiler and Pressure Vessel Inspectors will present an “Inservice Inspection Seminar” for National Board Members on March 3rd and 4th, 2010, 8:00 AM at the Downtown Holiday Inn in Des Moines. There is no charge for first 60 people who register. For subsequent registrations there will be a \$20.00 charge. Each attendee will receive a certificate from the National Board. Attendance counts toward the National Board 3-year certificate training requirements.

Agenda items include boiler explosions, combustion basics, types of boiler piping systems, water heaters, NBIC Part 1-3, NFPA 54 & 85, pressure relieving devices, power boilers and heating boilers.

To register, please call Sharold Shepherd @ 515-281-6533 or you may send an email to Sharold.shepherd@iwd.iowa.gov.
